

CODE: Your First 5 Minutes of SQL

Section 1, Lecture 5

Your First 5 Minute of SQL CODE

Resources:

- [SQL Try-It Editor](#)
- [Lecture Slides](#)

Step 1.

```
SELECT * FROM customers;
```

Step 2.

```
SELECT * FROM orders;
```

Step 3.

```
SELECT *  
FROM products  
ORDER BY Price DESC;
```

Step 4.

```
SELECT  
    customerName,  
    COUNT(*) AS 'number of orders'  
FROM customers  
INNER JOIN orders  
    ON orders.customerID = customers.customerID  
GROUP BY customers.customerID;
```
